

**Volunteer today and be part of the *SOLUTION!***

Pro Bono Outreach Program of Mental Health America of Colorado (MHAC)

Could you agree to receive one *Pro Bono* referral at a time to your private practice for short-term therapy? Are you interested in providing mental health services at a Program Host site serving underserved children, families and seniors who are low-income or experiencing homelessness? Or supervise a candidate pursuing licensure who is volunteering for the program? The Pro Bono Outreach Program is looking for additional volunteers to assist in the effort to increase access to mental health services.

**Please consider joining Mental Health America of Colorado's Pro Bono Outreach Program volunteer network.** Please visit our website at [www.mhacolorado.org](http://www.mhacolorado.org) for more information and upcoming orientation dates, or contact Lauren Martin MSW, Pro Bono Outreach Coordinator, at 720-208-2231 or [lmartin@mhacolorado.org](mailto:lmartin@mhacolorado.org).

*"Alone we can do so little; together we can do so much." Helen Keller*

**Thank you!**
